SUMMER 2016 SCHOLARSHIP GUIDELINES

PURPOSE

To allow all interested students the opportunity to participate in the Beall Center's Expressive Robotics summer camp program offered through the UC Irvine Claire Trevor School of the Arts.

CRITERIA

Eligible students must communicate interest in exploring interdisciplinary relationships among the Arts & Technology, and be willing to experiment with various approaches to programming and building.

GUIDELINES

To be considered to receive an Expressive Robotics Scholarship, students must complete the following application process steps:

1. **Scholarship Application Form** – Please fill out the attached form completely. Incomplete applications will not be considered.
2. **Artist Statement** – The Statement should be no more than one page, typed, and touch upon topics such as: why you are applying for this scholarship, why are you interested in this program, how do you see yourself utilizing Arts & Technology in your future, what is your goal?
3. **Letter of Recommendation** – Should be from teacher or instructor who may speak to your work and attitude as a student and perceived financial need.

EVALUATION

Applications will be reviewed by Beall Center for Art + Technology faculty and/or staff. All information is kept secure and confidential. Scholarships will be awarded June 29th or sooner via email.

AMOUNT

Full scholarships shall be equal to the regular camp fee. Partial Scholarships shall be a prorated amount of the regular camp fee. Scholarships are subject to course enrollment and, though we do not anticipate needing to take such action, may be cancelled should enrollment not be sufficient. **NOTE: Scholarships are awarded based on multiple factors; however, student interest and motivation to participate are highly regarded. We encourage all interested students and families to apply.**

SUBMISSION

The deadline to submit applications is Friday, June 24 at 5pm. Incomplete applications will not be considered. Applications must be submitted via email to beallcenter@uci.edu. Scholarships will be awarded by June 29th or sooner via email. Please note: Summer Academies do have enrollment limits, so we suggest submitting your application as soon as possible to secure your spot.
